Red Setter Plus

The Brand Issues

Red Setter® has always projected itself as the most classical roundbaler netwrap in Ireland. Reliable, strong, full-covering, it has proved an excellent performer with any kind of crop, in any condition. Thanks to its advanced technical solutions, flexibility of use and higher performance, Red Setter® guarantees the best bale protection even after multiple handlings of bales.

Roll length 3600 m
 Roll width 123 cm
 Max. roll diameter 28 cm
 Average strength 270 kg
 Mesh Type *MS - Narrow Mesh

▶ Less knots per mesh

▶ Robuster chains

▶ More density of wefts

▶ Self-adapting geometry

Red Setter Twines

- ▶ UV Protection
- ▶ Easy Feed of Binders
- ▶ Knot Free
- ▶ Higher Knot Strength
- ▶ Superior Fibrillation
